Subject: DOE RAP Air Sample Monitoring Data
Date: 07/10/2011 11:50 AM

From: Tongate, Butch, ; Ortiz, Michael, NMED
Sent: July 10, 2011

As of late evening on July 9, 2011, a Google map showing the monitoring sites with limited data was available on the NMED website for public access. On July 10, 2011, an additional link was provided to a table with the detailed information regarding the DOE RAP Air Sample Monitoring Data. The link to the table with explanations is shown below:
